## **President's Report 2014/15**

To all members of the North West Metropolitan Cricket Association I would like to give my report on the past cricket season. I have thoroughly enjoyed my time as your President although we did have some testing moments during the season. The NWMCA followed the rules that have been put in place with your approval at the Pre AGM and with the feedback we got all seemed to go well.

I would like to congratulate all clubs, players, supporters and sponsors that participated last season and it was very pleasing to see the number of different clubs that won premierships. Well done to Kealba Green Gully for taking out the George Luscombe Shield which finished off a great year for that team.

The NWMCA is very lucky to have people like Bob Byron and David Woodgate who do a massive amount of work to keep our competition operating, along with Nicholas van Niel, Rob Arnold, and Peter Gourlay which make up our successful Board.

To Paul Brock and his junior committee who works endlessly during the season, the juniors trialed successfully some changes and this initiative hopefully will continue next season.

To all junior coaches, managers and families who were involved in the VMCU carnival during the Christmas break, thank you as the carnival relies heavily on the support of these people and parents that get involved.

To Darrell Holt and his team of umpires both senior and junior, thank you for a tremendous season and I look forward to your return.

The NWMCA rules committee have been reviewing all correspondence and may implement some of these requests next season.

At last year's Annual General Meeting we inducted 2 new "Life Members," Rob Arnold and Graeme (Charlie) Walker. This was tremendous recognition for these two gentlemen who have participated within the North West Metropolitan Competition for many years.

This year's senior presentation night was again held at Melrose Reception Centre, which included Adam Dale as our guest speaker. For those who were there, it was a great night and well catered for. (Next season's presentation night is advertised on the website.)

I look forward to another even more successful season in 2015/16 and invite all clubs to support the NWMCA Board to ensure that we continue our positive attitude in this expanding competition.

**Steven Knight**

## Junior's Report

On behalf of everyone at the NWMCA - a big thanks to all Clubs, Junior Coordinators, Coaches and Parents for getting the kids playing cricket. It's a difficult job putting together cricket teams, getting grounds sorted; making sure the training is interesting and then taking the kids all around the place so everyone get a game of cricket; so well done to everyone who helped out over the past season.

A special thanks to everyone on the junior committee who have given up their time to help make sure things run smoothly, the NWMCA Board members and Cricket Victoria.

If it felt like a very long cricket season that's because we had so many things happen in the broader cricket world over the 2014-2015 season.

- The tragic death of Phil Hughes at the start of the season. This event was like nothing else in living memory for the game. Many NWMCA clubs and team organized special tributes on the games played just after Phil Hughes passed away and showed great respect for a fallen fellow cricketer.
- The great cricket played by the Australians over the normal international season which captivated the cricket lovers.
- The fantastic, but long, World Cup. The Aussies well deserved winners but many other teams played extraordinary cricket, like New Zealand. If anyone got to a few games at the MCG the atmosphere was electric.
- Finally at the end of the season we had the passing of Richie Benaud, many of us had grown up with Richie and he will be greatly missed.
- In the middle of all this we had lots of junior cricket being played in the North West of Melbourne.

Some of the highlights from our Junior 2014-15 season were;

- A large diversity of clubs had teams make the finals and grand finals, which is really encouraging to see. A few seasons back it was reasonably predictable which clubs would make the grand finals but this has changed. This is really encouraging as it shows that clubs are making progress with their teams and players.
- More teams wanting to play Friday night games and the implementing of three under 12 and one under 14 Friday night competition. With more teams wanting to play Friday night for a number of reasons we have implemented the compulsory use of orange balls and next season we will introduce more structured playing times for early and late season games to cater for less light.
- The continued growth of our under 10's competition which is resulted in record number of team entering this competition.
- The further adaption of split innings format games with players and coaches getting use to how these games operate. This is something we may look to introduce across all grades for 2 day games
- A mid-week girls competition at Fairbairn Park with players from many clubs making up teams to have a really enjoyable time. A very special thanks to Rob Moore for getting this project off the ground. This competition will continue next season and may expand.
- The continued roll out of Cricket Australia's T20 blast program which is catering for kids between Milo into Cricket and our under 10's. This program was relatively successful for this region as unlike other regions we have a very strong soft ball under 10's competition.

The NWMCA is lucky to a group of skilled and dedicated people that help run the association and make sure cricket games are played in the right spirit. We often are making changes to try and improve our sport as we live in a world where other sports are always competing against Cricket so if we are staying still we will be over taken by other sports. There are many challenges but we are confident that we have the right team that is willing to make changes for the better of our game.

The NWMCA Junior Committee welcomes feedback from clubs and individuals and we encourage those interested in further improving our competition to engage with the Committee.

### **VMCU Representative Cricket**

This year we saw the introduction of an under 18 team and an under 12 girls team into the Rep Cricket. Over the past few years we have gone from 5 teams to now having 8 teams which calls for more resources to get these teams together. We continue to have an approach of opportunity and development of our players and coaches rather than a win at all costs mentality. Whilst our focus is not to be ultra-competitive we still had good success across the 8 teams with 4 teams making finals, the under 18 and under 12 Mitchell shield made grand finals.

In particular I would like to thank the following people;

Junior Committee – Femi Ferzulla in his first year a secretary did a great job, Charlie Walker as always masterly handling the booming under 10's,

NWMCA Board – Bob Byron for organizing just about everything, Peter Goulay for the fixturing, David Woodgate for running a tight ship,

Darrell Holt for all the umpiring operations,

Daniel Travellin from Cricket Victoria with his help for our region,

Sonja

Thanks to those that I might have missed out and bring on the cricket for next season.

**Paul Brock - Junior Vice President**

## **Administration Manager's Report**

Another season over and the amalgamated association is truly operating as its own identity. Thanks to David the finances are looking healthy.

We now have a full complement of teams in Luscombe Shield and both Kyte and Stringer are predominately clubs 1<sup>st</sup> X1 sides which augers well for the future. The number of teams playing at senior level has remained static, but we have seen a jump in numbers in the juniors, especially in the under 10's and the under 12's. Fewer than 12 and under 14 games played on a Friday night proved to be a popular move, which looks to increase in the coming season as clubs see the popularity of the timeslot. Thanks must go to Daniel Trevillian and Wayne Shultz for the great work they have put in promoting cricket in the region. The juniors had 26 different clubs competing in grand finals with 16 of them winning premierships, including two tied matches and two that were decided by one run. Peter who did a great job of grading and featuring the juniors must be praised. Stephen Milne who umpired one tie and one run game claimed it was his brilliant strategy for both results. Next season will see the introduction of a girl's competition with a number of clubs indicating that they have willing and capable players. A girl's competition helps the association's standing as girls participation in sport is being actively promoted by councils as well as state and federal governments.

Congratulations to Darrell and Eric for the umpires. NWMCA has the best quality and quantity of umpires and is the envy of other associations. Our unique junior umpire program only gets better with most junior games now with an independent umpire.

Three players had the distinction of playing 400 games of cricket, congratulations to Rod Ebbage, Ray Finn and Gerard Laffan. The association has decided to award grand final medals named after these players in honour of this achievement. The old stager Barry Clissold played his 600<sup>th</sup> match and also his 400<sup>th</sup> match with Buckley Park.

Recently C.V. set up a task force looking at the structure of turf cricket which received a mixed reception. Subbies are happy with their format and want to continue as a standalone competition as well as Mercantile. VTCA have also opted not to join, but many of their clubs were happy with the concept. Much of the comment against the proposal centered on the fact that Premier cricket should have been included to make it a genuine review.

At the moment hard wicket competitions and juniors are not included but it was expected that they would align with the new regions. This is probably not feasible and will require hard wicket comps to be looked at in their own right as they have their own unique characteristics.

Lastly thanks to the many people who volunteer valuable time that makes any association function, your help and guidance is greatly appreciated.

## Director of Umpiring Report

### Open Age Panel

Season 2014/15 was a year of growth for both the Junior and Senior umpiring panels.

The senior panel, with an influx of new umpires, totalled 42 with several others umpiring occasionally.

The season had a high number of umpires unavailable every round. This extended through to the Grand Finals matches when five of our top dozen umpires could not be appointed.

### **Match Appointments**

All Luscombe Shield matches had 2 umpires and the regular rotation of senior umpires between grades continued. New umpires were initially appointed with experienced colleagues to assist new umpire skills training.

Captains' reports are the key factor in grading umpires. The lack of information on umpire performance provided by some captains is disappointing, however detailed comments received from the majority of captains assists us to better the standard of umpiring. Two Luscombe Shield captains regularly provide fully detailed umpire assessments – thanks John Markham (Buckley Park) and Cameron Hare (Pascoe Vale Central).

### **Issues Arising in 2014/15**

**Over-rates:** Discrepancy in over-rates was regularly raised by umpires. Many teams bowl overs ahead of the time allocated, but other teams regularly finish unacceptably late. This is a problem for both umpires and captains to address?

**Player behaviour:** Mid-season, the NWMCA Board expressed concern at an apparent increase in instances of player misbehaviour being unreported by umpires. After umpires received strong direction on the issue the number of players placed on Caution Reports accelerated dramatically.

**Payment of umpire fees:** Following a succession of instances when umpires were not paid (seniors and juniors), the NWMCA Board satisfactorily resolved the problem by directing all fees must be paid prior to the start of play each day.

### **Grand Finals Appointments**

### **Most Improved Umpire Award**

The Umpires' Association presented to **Michael Van Esch** the Most Improved Umpire award. Michael completed his third umpiring season and his improvement from previous seasons was dramatic – by round 10 he was upgraded to Luscombe Shield matches where his excellent reports continued. Well done Michael – a reward earned for perseverance.

### **NWCA Umpires' Association Meetings:**

Allan Taylor (Pres), Brian Hedger (Secretary) and Michael Nolan (Treasurer) administered the affairs of the NWMCA Umpires' Association. The Association again displayed strong administration and the meetings were attended by a high percentage of panel umpires each month.

Umpire training on Laws/Rules and techniques is conducted at the Association's monthly meetings. Match appointments favour umpires attending meetings.

At the December "Christmas" Meeting umpires were entertained by former Australian player **Merv Hughes**. A lively evening listening to Merv's legendary stories and his personal thoughts on cricket at all levels. He impressed upon all our umpires to continue with their NWMCA umpiring role to benefit NWMCA cricket.

### **Working With Children Check (WWC)**

All NWMCA Senior umpires hold the Department of Justice's WWC clearance. Allan Taylor again administered this program to ensure compliance by all adult umpires.

### **ACB Accreditation**

NWMCA rules require all NWMCA umpires (seniors and juniors) to qualify for at least the ACB Level 1 Umpiring Accreditation. This year, ACB upgraded to an on-line computerised Level 1 course.

Disappointingly, the computer program failed to satisfy the needs of participants. We were fortunate NWMCA had already conducted the full manual course for new umpires to cover the inability of the ACB program to issue Level 1 Accreditation.

### **VMCU Carnival Matches**

VMCU representative matches were umpired by Gordon Andrews, Sunil Gupta, Brian Joiner, Peter Ryan, Allan Taylor and Phil Winduss.

Allan Taylor provided a highlight for NWMCA with appointment by the VMCU as the metropolitan umpire in the VMCU v VCCL Under 21 Grand Final. A major honour for NWMCA.

### **Under-Age grades Panel**

The Junior Panel commenced the season with in excess of 80 umpires – a record number, although a significant proportion of these were not available by season's end.

The increase in numbers resulted from 43 umpires returning from season 2013/14 – a high retention rate for the juniors, (most likely due to an increase in umpire fees for the Under-Age Panel).

Umpires available for appointment to Friday night matches exceeded the number of games available.

**Under Age Umpire Award – Terry Scott Medal**  
**Ryan Gutbier** was adjudged the best Under Age umpire. Ryan umpired his first season of under Age matches and with consistently very good reports from coaches rapidly progressed to the Under 16 Grades before umpiring the under 16A McCabe Shield Grand Final. Ryan also officiated in the VMCU carnival.

### **VMCU Carnival Matches**

We again received special VMCU permission for our junior umpires to umpire VMCU representative matches. Umpires appointed were: Thomas Addison, Jarryd Clements, Ryan Gutbier, Billy Iles, Shane Mallia, Nil Shah and Cameron West.

### **Grand Finals Appointments**

<b>U16 McCabe Shield</b>	Ryan Gutbier / Steven Pastras
<b>U16B</b>	Steven Milne / Shane Mallia
<b>U16C</b>	Jarryd Clements / Cameron West
<b>U16D</b>	Nil Shan / Matthew Lewis
<b>U14A EBKCA Shield</b>	Doug Anderson / William Needham
<b>U14B</b>	Nicholas Hannah / Riley Bretall
<b>U14C</b>	Julian Chu / Nicholas Seers
<b>U14 D</b>	Jack Lynch
<b>U14E</b>	Patrick Carrier / Phil Winduss
<b>U14 Friday</b>	Lachlan Curtis / Nicholas Curtis
<b>Under 12 Friday (1)</b>	Zachary Mevissen / Josh Ryan
<b>Under 12 Friday (2)</b>	Thomas Butler / Dylan Wright
<b>Under 12 Friday (3)</b>	Darcy Heenan / William Mallett
<b>Under 12A Kurle Shield</b>	Steven Milne / Naitik Parikh

<b>Under 12C</b>	Doug Anderson / Jack Stephens
<b>Under 12D</b>	Edward Rimmington / Mitchell Welsh
<b>Under 12E</b>	Jessica D'Elton / Isaak Schenk

### **Eric Kelly**

Eric Kelly assisted with the administration of our umpire panels, especially umpire training and managing appointments of umpires to Open Age grades. Eric's prior training experience and umpiring knowledge are valuable for the NWMCA.

### **Darrell Holt** **Director of Umpiring**

## Under 18 Team Report

### Team List

Adam Davies	Brodie Psaila
Dylan Knights	Rheese Tomkins
Jordan Taylor	Dean Sawbridgeworth
Nick Hannah	Nathan Lynch
Tim Hughes	Chris Williams (Captain)

After some hard decisions were made to select the team listed, it was a pleasure to be associated with the players picked.

The players were a fantastic endorsement for the game of cricket and the North West region they represented.

---

### *Game 1*

For round one we travelled to Skye to play West Gippsland.

NWMCA batted first but unfortunately we did not bat out all of our overs, although still put a competitive score on the board of 181. Brodie Psaila with a score of 56 and Rheese Tomkins close behind with 51 helped us get there.

We believed we had a very good chance of limiting West Gippsland in achieving our score. Keeping the scoring rate down and putting pressure on them to make runs was crucial.

Our opening bowlers were unable to break through with the first wicket falling on 22 after 5 over's. Dean Sawbridgeworth was to take the first wicket with line and length final figures 9 over's.

1/18 this showed us we could keep the pressure on.

After the first wicket we continued to keep the run rate down putting pressure on West Gippsland the next wicket was to fall on 46 after 17 over's from our spinner Nathan Lynch, finishing with figures of 9 over's 1/14

The next wicket was to fall at 83 from our opening bowler Jordan Taylor finishing with figures of 9 over's 5/25. After this wicket West Gippsland lost the remainder of wickets for a total score of 118 all out. Every player gave everything to win our first game

Will Dalton our other opening bowler finished with figures 7 over's 2/14.

### *Game 2*

It was our home game and we wanted to show we were capable of batting out our 45 over's winning the toss against Northern metro and batting first making a total of 196.

---

Losing our first wicket on 46 it was a good start; top scores were Reese Tomkins on 39 not out. Jordan

---

Taylor on 34 run out of the last ball with all contributing.

North Metro was ready to bat and was confident of beating our score. Again we were not willing to let them get easy runs with the first wicket falling on 32 of 8 over's.

We were then able to get wickets on a regular basis with North Metro being out for a total of 71 with only 7 extras.

### *Game 3*

We travelled to Box Hill we knew this was going to be a hard game, it was not the best day for cricket overcast and gloomy we wanted to win the toss and bat first and we did.

Making a total of 189 of 45 over's with Brodie top scoring with 70 and our captain Chris making 38

There bowlers bowled line and length making it hard top score

Again our bowlers needed to make sure they were on the mark and not give away any easy runs

ALL our bowlers were on the spot with only 18 extras this game was going down to the wire and it stated to rain late in their innings we kept our nerve and won the game by 10 runs it was a great effort from all involved.

### *Game 4*

This game was at home playing Diamond Valley. Having not lost a game and wanting to keep it that way, we continued to put pressure on Diamond Valley after they won the toss and batted first.

Diamond Valley made a total of 164 losing 6 wickets, of 45 over's. We knew that we had to bat well with great opening stand our first wicket going down on 62. Tim Hughes made 45 and Dylan Knights made 33. We then lost consistent wickets again Chris Williams with a captain's knock of 22 and Rheese Tomkins 21 to steer us home.

#### *Game 5*

A wash out against Eastern at home

#### *Grand Final*

Coming up against Eastern, both teams were undefeated coming into this game.

Eastern batted first and our bowlers bowled consistently through the tournament and knew they needed to be bowling tightly with Eastern losing their first wicket on nine. Then on 25 with our opening bowlers bowling line and length Eastern steadied the ship with some good batting making a total of 177.

We knew this game was going to be tight with our first wicket on 26 and then we were 3/35. Brodie 49 and Tim 49 were at the crease and batting well together unfortunately they were not able to get theirs 50 runs and after they lost their wickets we were not able to get the score required falling short by 7 runs.

The guys were disappointed in the result. But they had no reason to be, what they achieved in the short time frame we had to pick a team and put it together with the help of some great parents. It was a great result and everyone had a great time

With thanks to Ian Denny our coach.

## **NWMCA Jim Bietzel Shield Report**

<b><u>Team List</u></b>	<b><u>Club</u></b>	<b><u>Team List</u></b>	<b><u>Club</u></b>
Thomas Baker	Craigieburn	Daniel Mathew	Craigieburn
Charles Bibby	Moonee Valley	Kyle Newnham	Greenvale
Luke Brock	Moonee Valley	Rory McGregor	St Francis
Anthony Cafari	Moonee Valley	Anthony Ricupero	Greenvale
Rohan Gandhi	Craigieburn	George Vasilakakos	Strathmore
Marcus Luisetto	Aberfeldie	Kyle Weightman	Strathmore

The side that represented the NWMCA Jim Bietzel Shield had a successful carnival in terms of individual efforts, teams efforts, and representing the association in a strong and sportsman like manner. The side was selected after a long trial process, that allowed players to develop and begin to work to the game plans and styles that would be expected in the carnival. The teams were given certain goals to achieve in each game when batting and bowling, and took these on well understanding what achievements were pivotal to team success.

### *Round 1 vs Gisborne & District CA*

Game 1 saw a great start from our boys against one of the weaker sides for the carnival. After sending Gisborne in, we were able to apply pressure early with a low run rate, and although the top order got starts, the boys stuck at it eventually dismissing them for 122 after 43.4 overs. Shared wickets were key, as well as a string fielding effort by all. In reply we batted the overs to finish on 5/203 with Cafari getting a strong 84.

### *Round 2 vs Wester Region Junior CA*

Game 2 was transferred to a synthetic ground due to the WRJCA ground being wet. We won the toss and finished with 8/196, a strong effort on a slow, large ground. Bibby played a hard fought and gutsy 76, and others chipped in when needed. In reply WRJCA batted the overs out to be 9/165, including a 56 not out last wicket stand. Was fair to say the boys let the foot off the pedal, and all had a bit to say about the disappointment in that, which was good to see what they were aspiring to achieve. Wickets were again shared.

### *Round 3 vs Box Hill Reporter District CA*

Game 3 was played at our home ground against one of the top opposition. A damp wicket again showed some importance in winning the toss which we managed to do and had a field first, dismissing box hill for 84 after 44 overs. Luisetto started with the ball taking 3 wickets, whilst Newnham was again economical with the new ball. In reply after a solid start we set the task to make the runs as quickly as possible due to expected rain. The total was chased after 27 overs, 3 wickets down, which included Luisetto being promoted up the order to score a quick 36 not out and Ricupero scoring 29 not out and batting through the innings.

### *Round 4 vs Southern District & Churches CL*

Game 4 was known to be important with southern scoring strong wins in previous games just as we had. After dismissing them for 163 from 44 overs (Luisetto blowing tidy for 2/9 and Mathews picking up 3/17) the total was under our set mark. In reply the boys made every mistake they could've, not finding it difficult but with each lad walking off the ground disappointed in a false shot or mistake that could've been avoided. Only McGregor in the top order showed any resistance with 26, which the remaining top 6 batsman combined for only 11 runs and saw us dismissed for 110 after 43 overs.

### *Game 5 vs Ferntree Gully District CA*

Game 5 was again against a tough opposition who had played well so far. Due to rain, and again our need to play (due to the loss and so many sides sitting on one loss or less) the game was moved to synthetic where we won the toss and bowled them out for 87 after 42 overs, with Mathew and Weightman our spin options proving to be the pick of the bowlers again taking 3 and 2 wickets on a day with a wet ball that was hard to grip for the seamers. At tea, the coaching staff and boys were

left with a decision after a heavy down pour of rain. Play the day out and risk playing out a draw (due to only 25 overs allowed for us rather than 45) or come back tomorrow and bowl at Ferntree Gully again. The decision was made to chase the total in 25 overs. In reply we scored 69 after 23.5 overs with only 1 over left to play due to rain. This was our most hard fought and gutsy win of the carnival after the day's weather had basically conspired against us.

Vasilakakos scored 25.

We finished the group stage finishing 2nd, playing Eastern CA. The top 3 sides looked by far the strongest of the competition.

#### *SF vs Eastern CA*

After Dousta Stars not being able to provide a wicket due to covers not being down, the decision was again put to coaching staff to play on synthetic. After playing 2/5 group games on synthetic, the boys had already had limited experience on turf wickets for the carnival and the decision was made to play an away final at the Eastern CA home ground. A decision I think was made in the best interests of the playing group and their experience.

We were sent in to bat on a damp wicket, which was a toss we were used to winning throughout the carnival. We managed to scrape 68 after 35.5 overs with Vasilakakos 21 and Gandhi 18 not out providing the only form of resistance. Bowling, we knew we needed to take the game on and unfortunately luck didn't fall our way with a few early play and misses and Eastern passed us in 23 overs.

Overall, I think was a successful carnival for the NWMCA. Had we have won the game against South Churches in the group stages we would've finished on top and most likely had a grand final berth, however it was not to be and we were knocked out in the SF against the eventual premier in Eastern. I think all boys were given an opportunity to shine and produce efforts in areas they were picked in (bat, ball, wicket keeping).

## NWMCA U16 Keith Mackay Shield 2015

The team comprised of the following personnel:

**Captain:** Jack Newman  
**Vice Captain:** Dylan Gutbier  
Avidu Colambage  
Dylan Wright  
Jamal Yamak  
Mason Carburn  
Shan Amunugama  
Dominic Sullivan

Jesse Dench  
Brenton O'Dwyer  
Liam James  
Lachlan Dickie  
Noah Cavanagh  
**Coach:** Romy Gutbier  
**Assistant Coach:** Darren Nagle  
**Team Manager:** Azzam Yamak

After a long and difficult selection process, we finally settled on 13 players to take part in the Representative Carnival. We thought we had a good balance of batting, bowling and fielding to take us a long way into the carnival. We couldn't wait for the real stuff to begin after 3 practice matches late in December.

*Round 1: Monday 5<sup>th</sup> January 2015 at JP Fawkner v Ringwood District*

We played our first game at home against Ringwood District. They won the toss and elected to bat. We started really well with Jack and Dylan G. opening the bowling, Jack getting a wicket in his second over. The first change bowlers (Lachlan and Brenton 1 for 28 off 5) had them on the back foot at 3 for 32 with a wicket a piece. Ringwood steadied the ship after that taking the score to 120. Jack rotated the bowling around trying to break the partnership with Shan, Dominic, Mason and Liam bowling. Liam made a double break through taking 2 for 16 off 4. Jack and Lachlan both came on again as Ringwood tried to push the scoring along with Jack bowling his 9 overs and picking up 3 for 29. Lachlan bowled 8 overs and had figures of 1 for 21. Ringwood ended up on 9/181 off their 45 overs.

After a well-deserved lunch break, we commenced our run chase. Avidu and Dylan W opened. Dylan was caught for 4 (1/11) before Jamal steadied with a solid partnership of 29 before Jamal got caught for 3 (2/40). Mason (44 run out) came to the crease and with Avidu, put on a partnership of 64 (3/104). Avidu (41 caught) fell shortly thereafter to have us on 4/109. Trying to lift the run rate, we lost a few wickets in short succession (5/123 – Brenton 12 run out), (6/134 – Jack 5 caught), (7/142 – Shan 14 caught), (8/143 – Dominic 2 caught) and (9/146 – Jesse 3 caught). Liam (10 not out) and Lachlan

(0 not out) faced out the final over or 2 to leave us 22 runs shy (9/159 off 45) – not a bad first up game.

*Round 2: Tuesday 6<sup>th</sup> Jan 2015 at Greythorn Park v Eastern*

After a narrow loss in round 1, the boys were keen to get a win against a strong side in Eastern. We had a bad warm up with Dylan G pulling out with knee soreness. This made the decision of who we made 13<sup>th</sup> man easy. We lost the toss again and they sent us in to bat on what looked like a quick ground. We had a disastrous start losing both Avidu and Dylan W for ducks (2/0). Mason (15) and Jamal steadied for a little while before we were 4/26. Jack (7) and Dominic (5) faced out a few overs before they both fell with the score on 38 (6/38). Noah (10) in for his first game batted at 7 along with Lachlan (10) to leave us at 8/61. Shan (23 not out) and Jesse 31 added 48 valuable runs before losing our 9<sup>th</sup> wicket. Liam(5) joined Shan to add another 17 runs getting run out trying to steal another run on the last ball of our innings – all out for 126 – not a great score but a score we could try and defend.

After the break, we got an early wicket, with Lachlan 1/5 off 5 overs the pick of the bowlers. Other wicket takers were Jack 1/41 off 6, Dominic 2/18 off 4 and Dylan W 1/2 off 1. They passed us with 22 overs to spare and 5 wickets in hand. We certainly had some work to do to qualify for finals after losing the first 2 games but were not daunted at all.

*Round 3: Wednesday 7<sup>th</sup> January 2015 at JP Fawkner v Diamond Valley*

The boys were really keen to get a win on the board at home. We won the toss and sent them in. Jack and Dylan G opened the bowling. Jack (0/26 off 9) the leading wicket taker to date bowled extremely well but went wicketless. Dylan had his best figures for the tournament with 4/33 off 8. Most of the runs for these 2 came at the end when they were trying to score quick runs in the dying overs. Dylan W (1/21 off 5), Lim (2/16 off 5) and Lachlan (1/18 off 7) were the other wicket takers. Diamond Valley ended up on 8/166 off 45 – a score we were confident of getting.

After the break, we again started badly losing Dylan W (2), Mason (0), Dominic (2) to be 3 for 8. Avidu contributed a hard fought 16 runs leaving us at 4/38 before Shan (27) and Jack (39) steadied. We were travelling along nicely and looking great before the wheels fell off. We went from 4/90 to all out for 126 in the 40<sup>th</sup> over. Our top order was not consistent so we looked to make some changes for the next match.

*Round 4: Friday 9<sup>th</sup> January 2015 at Whitehorse Reserve v Box Hill Reporter*

In a rain shortened match, Box Hill Reporter won the toss and batted. They came out swinging and got away to a quick start with one of their openers getting a 50 in around 12 overs. After the fall of a couple of wickets, the run rate dried up with some excellent bowling from Shan (4/8 off 4), Lachlan (2/26 off 7), Mason (1/15 off 4), Dylan G (1/21 off 7) and Jack (2/30 off 8). We bowled them out for 154 on a quick deck on a smallish ground. We thought we were in it with only 4 runs required an over.

We had one of the better starts, losing Avidu (6) early on but Jamal (32) and Mason (23) making solid contributions. Due to a slow start, Jesse (15) and then Dylan G (0) were sent up the order to score quick runs. A late stanza from Shan (28 not out) and Jack (21) nearly saw us get over the line. Dominic (1), Brenton (10) and Noah (14 not out) added great support to Shan. We fell 1 agonizingly run short of a memorable win on a day when most teams did not play.

*Round 5: Monday 12<sup>th</sup> January 2015 at JP Fawkner v South East*

This was our last chance to win a game and qualify for finals and we were going to give it everything we had. South East was the team to beat, having won all their games and beating us in a practice match in December. South East won the toss and sent us in.

We started badly again losing both openers Avidu (5) and Jamal (0) to be 2 for 23 off around 10 overs. A couple of great partnerships between Mason (44), Jack (39) and Shan(46) with great support from Dylan W (4), Jesse (3) and Noah (16 not out) saw us accumulate our highest score for the competition to date of 8/168 off our 45 overs.

Confidence was running high when we resumed from the break. Jack (1/28 off 9) bowled well, however his opening partner Dylan G broke down after 1 over and took no further part in the game. They batted really well and took the game away from us. The other bowlers to get wickets were Dominic (1/21 off 5), Noah (1/27 off 6) and Shan (1/17 off 4). They passed our score with 11 overs still to go and deserved to finish on top.

*Conclusion*

I would like to thank all the parents and helpers who helped set up the ground, made the cold drinks and beautiful lunches. I would especially like to thank Azzam (Azza) for being the team manager – a thankless task and he did an excellent job. I would also like to thank my assistant coach Darren (Spud) Nagle for providing great assistance on selections of the team (we had to make 1 player every game a 13<sup>th</sup> man – could only field, and make another a designated batter or bowler. This was the most difficult task every game.

The players tried their hardest in each and every game, falling a little short on each occasion. They may not have won a game, however their spirits were high and it was a pleasure to coach them for the carnival. I wish them all the very best of success in their cricket careers and look forward to seeing how far they go.

Regards,

### *Game 1*

Date: 5<sup>th</sup> January

Venue: away

Opponent: Diamond Valley CA

Result: **Won**

Scores: NWMCA 6/152(cc) DVCA 10/106

Best Batting: Lucas Nikoloski 41no, Jaga Koduru 22, Luke Denny 34

Best Bowling: Ben Haste 2/10 (5 overs) and Jaga Koduru 2/8 (4 overs)

**Comment:** A great start to the tournament with a good win straight up. Lucas Nikoloski was solid in defence and the team innings was built around him. Strong batting by Jaga Koduru and very aggressive batting by Luke Denny resulted in a good score to defend. The team then had a strong bowling performance with wickets taken by Luke Denny, Ben Haste, Callum Matthews, Jaga Koduru and Jackson Baks. A highlight was a diving one handed catch by wicket keeper Daniel Deasy. DVCA were well held and never in the hunt.

### *Game 2*

Date: 6<sup>th</sup> January

Venue: home

Opponent: South East CA

Result: **Loss**

Scores: NWMCA 8/102(cc) SECA 5/180 (cc)

Best Batting: Lucas Nikolski 33, Marcus Jackman 15no

Best Bowling: Lucas Nikolski 2/7 (4 overs)

**Comment:** Came up against a very strong team on a hot day. Lucas Nikoloski again batted solidly but

overall the boys were tied down and no one else was able to impose themselves on the scoreboard. The boys then toiled in the field but were not able to restrict the opposition, who were a very strong team.

### *Game 3*

Date: 7<sup>th</sup> January

Venue: away

Opponent: Eastern CA

Result: **Washout**

Scores: NWMCA 1/46 (14 overs) ECA 8/110 (cc)

Best Batting: Jaga Koduru 17no

Best Bowling: Callum Matthews 3/20

**Comment:** The boys were keen to try and get a win on the board after yesterday's bad loss. The boys bounced back and were awesome, getting 8 wickets and keeping ECA to 110. The quicker bowlers started well with an early wicket to Thomas Jackson, caught behind by Daniel Deasy. Marcus Jackman, Ben Haste, Luke Denny, Joshua Winchester, Jackson Baks all bowled well. The real key to restricting the Eastern innings though was the four spinners; Jaga Koduru, Lucas Nikoloski, Rowan Mendis and Callum Matthews who all bowled brilliantly. Callum especially mesmerised the opposition with his leg spinners taking 3 wickets. Another highlight for the day was Luke Denny's 4

catches in all positions. The boys then went out to bat and were well on top when the lightning storm and subsequent rain came (our game was the only washout for the day). Jaga Koduru and Jackson Baks were well on top at 1/46. Even though the boys did not get the win they gained a lot of confidence by clearly outplaying one of the better teams.

Result: **washout**

#### *Game 5*

Date: 12<sup>th</sup> January

Venue: Away

Opponent: Box Hill Reporter District CA

Result: **Won**

Scores: NWMCA 10/130 (cc) BHRDCA 8/115 (cc)

Best Batting: Jaga Koduru 30 Luke Denny 28

Best Bowling: Rowan Mendis 2/14

**Comment:** NWMCA batted first and put on a decent 130 as BHRDCA bowled very well. Main contributors were Jaga Koduru 30 and Luke Denny 28. Under instructions from the coaches to hit hard, Thomas Jackson scored a quick 12 runs with 3 boundaries. The boys bowled well and kept BHRDCA to a slow scoring rate, wickets were shared by Thomas Jackson, Luke Denny, Callum Matthews, Joshua Winchester, Marcus Jackman and Rowan Mendis. Rowan snagged two wickets with his quick leg spinners. In the end BHRDCA fell short due to the good bowling by NWMCA

#### *Game 4 Replay*

Date: 13<sup>th</sup> January

Venue: home

Opponent: Western Region CA

Result: **Washout**

Scores: NWMCA 2/65 (23 overs) Western DNB

Best Batting: Marcus Jackman 36no Jackson Baks 17

Best Bowling: Rowan Mendis 2/14

**Comment:** It was raining again for the Western game. After waiting for an hour or so the game was underway. The boys batted positively and began to post a competitive score but the rain came again

and the game was washed out. The most pleasing aspect was that the coaches challenged Marcus Jackman to open the batting innings and he responded with an excellent well-constructed 36 no.

#### *Game Qualifying Final*

Date: 14<sup>th</sup> January

Venue: Away

Opponent: Ringwood District CA

Result: **Won**

Scores: NWMCA 7/97 (36 overs) RDCA 10/96 (38 overs)

Best Batting: Jaga Koduru 40no Jackson Baks 14 Marcus Jackman 18

Best Bowling: Callum Matthews 4/12 (6 overs) and Lucas Nikoloski 2/9 (3 overs)

**Comment:** When we arrived at the ground it was flooded and looked like there was no hope of any play. The Ringwood coach produced a "super sopper" and dried the wicket and surrounds. The Ringwood coach was suggesting we play a full game which we accepted (even though we had lost a few hours). We bowled first and kept Ringwood to 96 runs. Good tight bowling all-round but the highlight was Callum's 4/12. There were 2 catches apiece to Rowan Mendis and Jaga Koduru. It then rained again and there was another big delay. When play commenced Ringwood also bowled well and kept our scoring rate in check. Jaga batted brilliantly with good support from Jackson Baks and Marcus Jackman. It was very tight when Nathan Baker came to the crease who batted well to ensure the winning runs were scored.

#### *Game Semi Final*

Date: 15<sup>th</sup> January

Venue: Home

Opponent: Ferntree Gully & District CA

Result: **Won**

Scores: NWMCA 6/114 (cc) FG&DCA 10/74 (35 overs)

Best Batting: Daniel Deasy 33, Jackson Baks 31 Luke Denny 21

Best Bowling: Callum Matthews 2/14 (4 overs) and Jackson Baks 2/10 (4 overs)

**Comment:** NWMCA batted first and the scoring rate was kept slow by some good Ferntree Gully bowling. At the half way mark we were 2/44. The boys did not panic. Jackson Baks kept the scoring ticking over with Daniel Deasy. When Luke Denny came to the crease the scoring rate exploded and with Daniel they put on 42 runs together in quick time to set up a reasonable score to defend. The bowlers started well with big Ben Haste getting an early wicket with his swing bowling. Thomas Jackson, Luke Denny, Joshua Winchester, Rowan Mendis, Callum Matthews and Lucas Nikoloski all bowled tight to restrict Ferntree Gully to 74 all out.

Special mention to Daniel Deasy behind the stumps who kept brilliantly on the day with 2 catches, 2 stumpings and one run out to help set up the win.

*Game 8 – Grand Final*

Date: 18<sup>th</sup> January

Opponent: South East CA

Result: **Loss**

Scores: NWMCA 10/123 lost to SECA 9/188

Best Batting: Jackson Baks 21, Luke Denny 42no

Best Bowling: Thomas Jackson 5/26

**Comment:** SECA batted first and after a couple of early wickets, got on top of NWMCA. With some excellent use of their feet they scored freely off our spinners (who collectively were one of our major weapons of the tournament) and posted a large score. A highlight of the innings was Thomas Jackson pace bowling and his 5 wickets were well deserved. SECA bowled and fielded really well to restrict NWMCA throughout the innings. NWMCA attempted to chase the runs down but was always behind the run rate. The highlight of the batting innings was Luke Denny's aggressive 42no.

NWMCA were going to have to put on their best bowling and fielding of the competition but SECA were too good on the day. The boys tried their best right up until the end and batted the overs out.

**Summary**

The NWMCA boys enjoyed a tremendous two weeks of cricket. All players contributed to the team's success at various stages of the tournament and all learnt a lot from the experience. While it was disappointing to lose the grand final, the team did a great job in getting there and should be proud of their efforts.

A huge thank you to Team Managers, Jody and Jamie Haste who did an amazing job in coordinating all that needed to be done off field to make the occasion a memorable one for the boys.

*Round 1 Monday 5<sup>th</sup> January 2015*

**NWMCA 10/119 (39.1 OVERS) DEF BY  
EASTERN 6/121 (40 OVERS)**

Eastern batted first and made a score that we thought we could catch. We used all ten bowlers who all bowled well without a lot of success, with 3 run outs and 3 catches the boys all did great job in the field. Best bowling Dylan 1/13 off 6 overs, Farzan 1/16 off 6 overs and Nicholas ¼ off 2 overs. NWMCA batting second and we lost 2 early wickets and then Elias (30 runs) and Nicholas (28 runs) got together and steadied the ship. The rest of the boys tried their best to get the runs but we fell short by 2 runs, not a bad effort by the boys in their first game together.

*Round 2 Tuesday 6<sup>th</sup> January 2015*

**NWMCA 10/116 (39 OVERS) DEF BY  
BOX HILL REPORTER DISTRICT CA 8/143 (40  
OVERS)**

Box hill batted first and on a small ground made 8/143 but the boys were confident that they could get the runs, Dylan was the best of the bowlers with 2/ 11 off 6 overs and next best was Kallum with 2/17 off 4 overs. Our batsmen just could not get a partnership going as we lost wickets regularly. Dylan not only did a great job with the ball he also

was our top scorer with 22 runs. The positive for the day again was the great job the boys did in the field.

*Round 3 Wednesday 7<sup>th</sup> January 2015*

**NWMCA 8/154 (40 OVERS) DEF  
WESTERN REGION JUNIOR CA 10/122 (32.4  
OVERS)**

NWMCA lost the toss and were sent in and after a slow start and losing 4/25 off 7 overs it looked like the boys were going to struggle again. Jamieson 24 runs and Dominic 30 runs got together and built a partnership that the boys needed, Dominic went out, the score was 82 we then lost Jamieson at 98.

-----  
Zak Doyle then took hold of the bowling and with 10 overs left Zak hit a quick 33 and was out in the last

over. Western got off to a good start and after 12 overs they were 1/37. The boys switched the bowling attack around and the spinners did the job, Alex with 2/15 off 4 overs and the pick of the bowlers Farzan Chowna 5/26 off 6 overs. In the field again the boys were fantastic with Jack 2 run outs direct hits and a catch and Alex with 2 catches and a run out, it was the boys first win and gave the boys a lot of confidence for the rest of the tournament.

*Round 4 Friday 9<sup>th</sup> January 2015*

**NWMCA DREW WITH**

## **NORTH METRO CA**

Game was washed out due to rain, no match report.

*Round 5 Monday 12<sup>th</sup> January 2015*

### **NWMCA 8/186 (40 overs) DEF MELTON JUNIOR CA 8/109 (40 overs)**

The boys lost the toss again and were put into bat and were pleased with the result, after 10 overs they were 2/23 and Elias and Jamieson put on 41 runs before Jamieson was out. Farzan and Zak got together and Farzan slowly got to 29 while Zak quickly got to 41 runs and retire , but the day belonged to Elias Manne who not only retired but came back in at the end finished the day on 48 runs not out. Four of the bowlers took a wicket each Jack, Owen, Dom and Dylan all one wicket but again the high light was the way all the boys fielded. Jack with 2 catches and a run out stood out, with that win it gave the boys a finals game.

*Quarter Final 14<sup>th</sup> January 2015*

### **NWMCA 8/72 (35.2 OVERS) DEF BY SECA 10/99 (40 OVERS)**

The boys won the toss and put SECA into bat and the boys put in their best bowling performance of the tournament with only 2 of the bowlers not getting a wicket. The best of the bowlers were Zak 2/10 off 4 overs Farzan 2/12 off 5 overs and Dylan 2/13 off 6 overs. The boys thought they were a good chance to get the runs against the best team of the tournament but unfortunately it was not to be. They were all out for 72, SECA's bowling was right on the mark which made it hard to score. Only 2 boys got into double figures Nicholas 10 runs and Alex with 15 runs and we were all out in the 36<sup>th</sup> over.

### *SUMMARY*

The boys played SECA in their first practice match and lost by more than 100 runs and after getting to know one another better and becoming a team and losing by 27 runs to the team who not only won the tournament and was undefeated I think the boys had a great tournament.

The boys now have made new friends and are all better for the experience. I would also like to thank Craig Willach for stepping in after Kallum Athanasiadis was taken to hospital.

WELL DONE BOYS AND GOOD LUCK.

Brigette showed great leadership as the captain, cheering on the girls while fielding and talking it up. Brigette asked the girls to clap for our opponents captain when she came onto the field to bat which showed great sportsmanship.

Excellent bowling by S Gandhi and Ella Taylor, Ella got 2 wickets as did A Kanj.

Due to the heat the NWMCA players suffered from heat stress having to field in the 2<sup>nd</sup> innings.

After the 10<sup>th</sup> over I had to send 2 players for vomiting, headaches & blurred vision. After contacting Paul Brock and talking to the parents we had decided to forfeit the match in the best interest of the players. The match was forfeit after 15 overs.

I do believe NWMCA player's had a very good chance of winning the match if it wasn't for the hot weather.

The main contributors during the match are Brigitte, Simran & Joeline. They all stepped up improving on their balling, batting, fielding and wicket keeping techniques. Most of all Brigitte as captain for trying to keep the team spirit up.

Semi-finals –  
**Friday 9 Jan 2015 (10:00am)**  
**BHRDCA v NWMCA**  
**Mclvor Reserve**

Due to the rain the match did not go ahead. We had put in a request to re-schedule the Semi-finals.

BRDCA automatically qualified for the finals.

Thirdly Rob Moore for his support, feedback and encouragement in getting the girls involved in cricket.

Lastly the parents for their support during the carnival which was greatly appreciated by Brighde and the coach.

## **Treasurer's Report**

It is with much pleasure that I submit the Financial Report for Season 2014-2015.

You will note that the Association is in a sound financial position and your Board is now working to obtain Sponsorships to allow the Association to try and reduce costs to the member clubs in the future.

We have also applied for and been awarded a grant from Cricket Victoria to assist in the formation of a Junior girls competition which will commence in season 2015/16.

The major area of increase in expenditure for this year was in Representative Sides costs due to adding an under 18 men's team and an under 12 girls, increasing our participating teams from 6 to 8, and providing an off field uniform for all teams at a subsidise rate.

**David Woodgate**  
**Treasurer**

*Please Note, that the Financial Statements have been audited by Mr Robert Young of Rankin & Young Chartered Accountants, and they have been found to present a true, accurate and fair statement of the activities for the year ended 30th June 2015.*

*A copy of the formal Audit Report is held by the treasurer, at the Associations offices.*
